

C3 MINISTRY INSTITUTE: A MISSION BEGINS!

June 2010

Dear Prospective Student:

The **C3 Ministry Institute** is the fulfillment of a dream God planted in my heart years ago: a dream to see people firmly established in the Scriptures and equipped to do the work of the ministry. The mission of **C3 Ministry Institute (C3mi)** is to prepare a new generation of fully equipped believers to effectively do the work of the ministry—whether this ministry is through the local church, bi-vocational, or vocational. Our dream is to provide quality Biblical, theological, and practical ministry training for all believers beginning at South County and beyond.

We hope to fulfill this mission by offering an 18-month internship at the **C3mi**. Many will enroll in **C3mi** to become better equipped for doing ministry through the local church. Others will enroll to begin preparation for full-time ministry. Still others will enroll to build a strong foundation for a Biblical worldview before entering a secular university.

One of the unique aspects of the academic program being offered through **C3 Ministry Institute** is that it is in joint relationship with the **Oral Roberts University School of LifeLong Education**. The **ORU School of Theology and Missions**, which supplies our curriculum, is one of the largest accredited seminaries in North America. It is the premier seminary in America with a Charismatic/Pentecostal distinctive. The certificate or diploma you earn will be jointly issued by **C3 Ministry Institute** and the **Oral Roberts University School of LifeLong Education**. Official transcripts of all coursework will be maintained and issued through ORU.

Is God calling you to sharpen your tools for vocational or bi-vocational ministry? Is He calling you to make a difference in your world? If so, I want to strongly encourage you to submit your application for admission to **C3 Ministry Institute**. Join us, and learn how to minister in the love and power of the Holy Spirit through the anointed teaching of a Spirit-filled faculty.

I am excited about what God is going to do in your life as you prepare yourself for servanthood in His Kingdom.
